

Smartphones (portrait and landscape)

iPads (portrait)

The wireframe for smartphones and iPads (portrait) features a top header with a main menu and a 'MENU' button. Below is a 'FILTER BY' section with buttons for 'Authors', 'Countries', and 'Fluxus Travels'. A map displays location markers with callouts for 'Author 1' and 'Author 2'. Below the map is a 'FLUXUS POINTS OF INTEREST' section with a 'DESCRIPTION' area containing a list of four items, each with a location name, summary, and star rating. At the bottom is an 'EVENTS / CALENDAR / NEWS' section with a list of items and an 'advertising' section with 'SHOP PRODUCT' and 'PARTNER' buttons. A footer menu contains 'LEGAL+INFO | FAQs | CONTACT' and social media icons.

iPads (landscape)

Desktops (rest of resolutions)

The wireframe for iPads and desktops (landscape) features a top navigation bar with links for 'HOME', 'FILM', 'FLUXUS', 'TRAVELS', 'BLOG', and 'SHOP'. Below is a 'FILTER BY' section with buttons for 'Authors', 'Countries', and 'Fluxus Travels'. A map displays location markers with callouts for 'Author 1' and 'Author 2'. Below the map is a 'FLUXUS POINTS OF INTEREST' section with a 'DESCRIPTION' area containing a list of four items, each with a location name, summary, and star rating. At the bottom is an 'EVENTS / CALENDAR / NEWS' section with a list of items and an 'advertising' section with 'SHOP PRODUCT' and 'PARTNER' buttons. A footer menu contains 'LEGAL+INFO | FAQs | CONTACT' and social media icons.
